

Areas We Cover

Recoup your entire deposit when you use our comprehensive house cleaning in San Diego. We have a team of professionals at Green Frog Cleaning who make sure that all the surfaces are free of inspection, and your previous occupancy is clean and ready to be occupied by the new tenant.

Bathrooms

The place that may require the most attention when first cleaning is the bathrooms. The accumulated scum and mineral deposits in the building are in need of serious cleaning. Additionally, shower doors and fixtures require special treatment to appear really clean.

What We Clean:

- Tub/shower stall(s)
- Commode inside and out
- Lights, mirrors and counter
- Cabinet exteriors
- Paper holder/towel racks
- Vacuum and mop floor and rug
- Whisk/Vacuum heat registers/fans
- Dust the baseboards (wipe as needed)

Master Bath

A specialist approach to your master bathroom should be considered in terms of comfort and cleanliness. We thoroughly clean all surfaces to get rid of soap scum and accumulation. We also make sure that all fittings are like new.

What We Clean:

- Tub/shower stall(s)
- Commode inside and out
- Lights, mirrors and counter
- Clean cabinet exteriors
- Paper holder/towel racks
- Vacuum and mop floors and rugs
- Dust exposed heat registers and baseboards

Half Bath

Half bathrooms should be given the same consideration as full bathrooms. In particular, we make sure that these places of high traffic are kept clean. We also wash off every part and surface.

What We Clean:

- Commode inside and out
- Lights, mirrors and counter
- Clean cabinet exteriors
- Paper holder/towel racks
- Vacuum and mop floors and rugs
- Dust exposed heat registers
- Dust baseboards

Kitchen and Laundry Areas

Grease, fingerprints and food residue are deposited over time in the kitchen. Hence, surfaces and appliances require extensive removal of grease. We also clean places that are usually neglected when carrying out normal cleaning.

What We Clean:

- Clean countertops
- Clean small kitchen appliances
- Microwave inside and out
- Stove exterior and inside oven window
- Refrigerator exterior, rubber seals and air vents
- Cabinet exteriors
- Dishwasher and trash compactor exteriors
- Sink, faucet and drain
- Inside windows over sink
- Dust window sills
- Vacuum and mop floors
- Dust exposed heat registers and baseboards
- Washer and dryer exteriors
- Inside washer lid

Formal Living, Dining & Family Room Areas

These areas gather dust on furniture, the bottoms and undercarriages. Moreover, shifting furniture unearths dirt which accumulates beneath the furniture. Our team is thus attentive to all the surfaces.

What We Clean:

- Dust furniture
- Vacuum carpets
- Dust light fixtures
- Dust exposed heat registers
- Dust baseboards
- Dust windowsills

Bedrooms and Office Areas:

The bedrooms need to be detailed so as to have a fresh and comfortable bedroom. Likewise, we target every area where dust deposits itself. Thus, each bedroom is provided with a comprehensive cleaning service.

What We Clean:

- Dust furniture
- Vacuum carpets
- Linens: change or straighten
- Dust exposed heat registers and baseboards
- Dust light fixtures, lampshades and artwork

Entry, Exit, Stairwell, Hallway

These linking spaces are usually ignored yet receive a lot of traffic on a daily basis. Hence, they require frequent cleaning to ensure they are clean. We also ensure that these places look friendly and clean.

What We Clean:

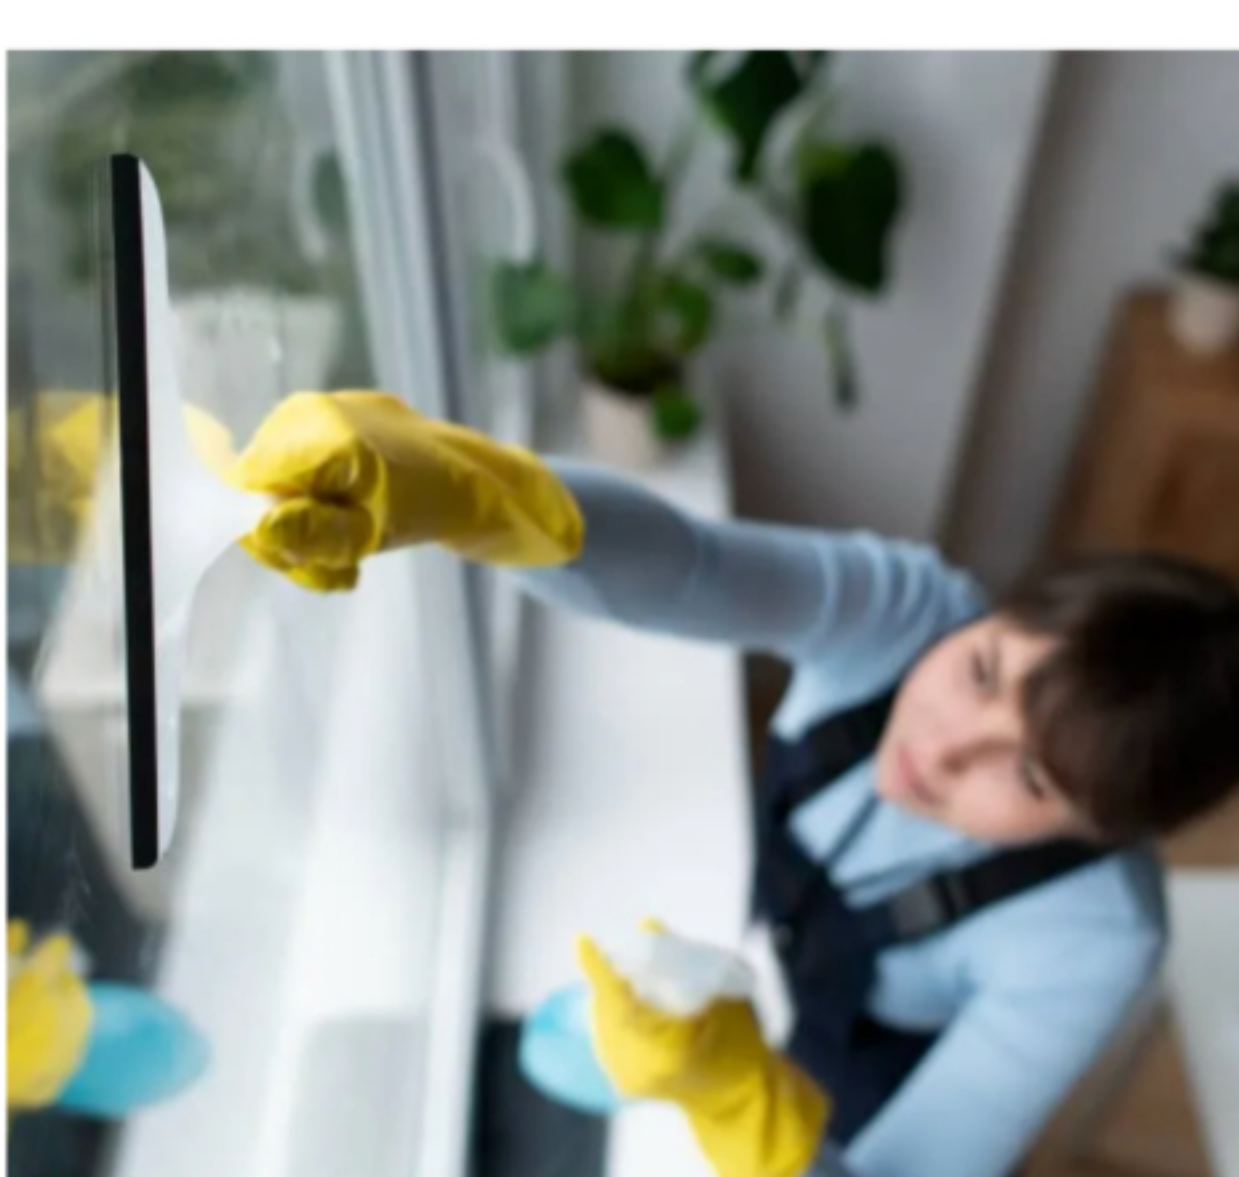

- Feather dust furniture
- Feather dust lamp shades and light fixtures
- Vacuum and mop floors
- Dusting heat registers/baseboards

Rotational Tasks

These tasks depend on what is required in your home cleaning during every visit. We will cover various areas or rooms to ensure they are well covered in the long run. So, each section of your house is thoroughly targeted regularly.

What We Clean:

- Polish furniture
- Move and clean under furniture
- Clean under couch cushions
- Sliding glass doors inside and out
- Edge carpets
- Clean unexposed heat registers and baseboards
- Cobweb patrol
- Dust ceiling fans
- Wash artwork/light fixtures
- Wash window frames
- Wash door frames
- Polish kitchen cabinets
- Wash kitchen baseboards and splash boards
- Polish bathroom cabinets

Extra Task Assignments

These services are by appointment, and they are charged extra. They do not just do routine house cleaning jobs. They are, however, ideal for deep cleaning the house seasonally or at special events.

What We Clean:

- Wash windows inside
- Wash walls and ceilings
- Empty, wipe and replace items inside the cabinets and/or hutches
- Remove shoes, etc. from closets, vacuum and replace
- Vacuum drapes
- Remove ashes from fireplace
- Clean inside oven (please run self-cleaning ovens the night before)
- Clean inside the refrigerator
